WHO WE ARE

Established in 2008, Buzz DMC has put together a young, experienced and highly-skilled team with extensive local knowledge based at its 4 offices (Lisbon, Faro, Funchal and Ponta Delgada), able to provide its clients with the best and most value for money solutions, either for Incentives, Shore Excursions, Conferences or Leisure (for individuals, charter operations or groups).

Unveiling to our clients the best Portugal has to offer, its authenticity and yet simplicity, Buzz is different because it proposes what few dare to. From the local tavern to the cork factory, from a surf workshop to an out-of-the box and unique venue, Buzz offers your clients experiences that can only be found in Portugal. We differentiate with the difference of our Destination.
