# WHO WE ARE

Established in 2008, Buzz DMC has put together a young, experienced and highly-skilled team with extensive local knowledge based at its 4 offices (Lisbon, Faro, Funchal and Ponta Delgada), able to provide its clients with the best and most value for money solutions, either for Incentives, Shore Excursions, Conferences or Leisure (for individuals, charter operations or groups).

Unveiling to our clients the best Portugal has to offer, its authenticity and yet simplicity, Buzz is different because it proposes what few dare to. From the local tavern to the cork factory, from a surf workshop to an out-of-the box and unique venue, Buzz offers your clients' experiences that can only be found in Portugal. We differentiate with the difference of our Destination.

## SHOREX & PORT SERVICES

Both for Ocean as for River Cruises, Buzz DMC has become a favoured local partner for some of the most prestigious cruise lines thanks to our careful selection of highly-skilled guides to lead our tours, the precise training of our check-in agents, to our modern fleet of buses, attention detail and deep know-how.

## Ocean and River Cruises handled by experts

Attention to details, rigor and clear communication are key to the success of any cruise department and at Buzz we take that very seriously. Our team's experience ensures every cruise line the quality of the product we develop and operate, both on Ocean and River Cruise programmes.
